AUGUST 18, 2017

Last week's (8/11/2017), Bailey Webb joined Stream Realty Partners in 2015 as a Graphic Design Coordinator for Stream's Atlanta Office. She works collaboratively with the creative team to develop brand strategy and deliver design components to completion. In addition to brand development she is tasked with integrating innovation to further Stream's brand across the Atlanta market, including a beer garden project under development on the Beltline in her neighborhood, the West End. Bailey attended the University of West Florida where she graduated with a Bachelor of Arts in Graphic Design, a Minor in Communications Arts, and a Certificate in Sale's Management. Before leaving UWF, Bailey participated in the Department of Art's Art Gallery, and was awarded the Department of Arts Faculty Academic Excellence Award.
