SEPTEMBER 8, 2017

Last week's (9/1/2017) speaker was Javier Mayora, a native of El Salvador, who is currently spending a year studying in the United States as part of the Georgia Rotary Student Program, sponsored in part by our club. Since 1946, Rotarians in Georgia have promoted world peace through understanding by offering scholarships to international students for one year of study in Georgia colleges and universities. He shared his home life, culture, and school experiences with members and guests of the club. This week's (9/8/2017) was Joe Sarra of the Georgia Advocacy Office.
